***INCIDENT NARRATIVE***

I, Inv. Z. Kramer, have been contacted by Ms. Sherri Sichmeller, the mother of Morgan Bauer, via telephone. She advised that her daughter was driven by a Patrick Lesnar subject from Aberdeen, South Dakota to the Minneapolis-St. Paul International Airport on either 11 or 12 February 2016, for a flight to Atlanta. The 19-year-old had told her mother she wanted to move-in with [unknown] roommates in Atlanta. The flight apparently had a layover in Chicago, and a verification process had to be completed to verify that Ms. Bayer had actually flown to Atlanta. The Reporting Person had no flight information, and no airline information. Through investigation, and with assistance from the Minneapolis St. Paul Airport Police (who completed Incident Report # 16001727), it was learned that Ms. Bauer had in-fact landed at Hartsfield-Jackson on 12 February. Her phone apparently is turned-off. I spoke with Patrick Lesnar via 701-214-1325, who did confirm that he dropped Ms. Bauer off at the airport, just prior to midnight on 2-11-2016, and that she had a ticket from Spirit Airlines (such was later confirmed). I learned that her flight had taken-off around 6:00 AM on 12 February. I verified the Reporting Person's identification by viewing her scanned ID card image which she emailed me. Facebook posts after the flight, which ended on 25 February, indicate that Ms. Bauer had an interest in being an exotic dancer, and that she worked at Tease Gentlemen's Club on Cheshire Bridge Road in Atlanta. I spoke with Steve Bynum, a Manager at that establishment, who advises he has never heard of Ms. Bauer. I also checked with Atlanta Police License and Permits, and I learned that Ms. Bauer has not obtained a dancing permit from the City of Atlanta. I also spoke with Taryn Ryan, a friend of Ms. Bauer, via 605-252-2333. She stated she has not heard from Ms. Bauer. I did learn that Ms. Bauer did obtain a place to stay, possibly, in the Atlanta area, but was put-out by the owners of the property, arriving home one day to find her property outside the residence. No additional specific information is available. The Reporting Person eluded to me that her daughter may have gone to Las Vegas, but she could not substantiate this information. I faxed the required information to Atlanta Police Central Records, so that Ms. Bauer could be placed into the GCIC Missing Persons File. I confirmed receipt via Ms. Smith. I also completed a Media Release Request with authorization provided by Sgt. C. Herbert. The Public Affairs Unit responded and released the information quickly. I also disseminated a department-wide B.O.L.O.
